One of the objectives of Startup NIDHI program is to support student teams to begin their entrepreneurial journey from Ideation to Prototype to Minimum Viable Product to Commercialization stage. To achieve this objective, it becomes necessary to set certain milestones which accelerate the process of identification, development and commercialization of innovative ideas. Therefore, to monitor, review and provide required support, we need the following information on each student startup team (use extra sheet, if required):

1. Brief description about the idea/product:
  
  
  
  
  
  
  
  
  
  
2. Current status of the idea/product (brief description about the work done so far):
  
  
  
  
  
  
  
  
  
  
3. To consolidate the idea/product, describe your action plan/work to be undertaken as per the format given below:
